CHANDLER H. & SUSAN P. SMITH FAMILY BIBLE

Attached is a transcription of the family tree portion of Chandler Holmes Smith (211) and Susan Parramore Smith's (212) family bible which was printed in 1859 by the J.B. Lippincott & Co. in Philadelphia. It appears, that at this time the majority of the tree was lettered by a professional Calligrapher. Over the years, various family members added information. On the front of this bible, inscribed is "CHANDLER H. SMITH, SUSAN P. SMITH, 1856" and the dimensions of this book are 9" x 12" x 5". The genealogical information is located in the center of the book which is in relatively good condition for it's age. But, the pages are worn and torn in places and are slowly disintegrating. In the 1960's, my father, Simeon A. Smith (205), had some of the pages repaired, new pages added and the entire book rebound by a book restoration company in Atlanta, Georgia. The deteriorating pages were covered by a wax coated material. As of this date, this bible is located at the residence of Edith A. Smith (206), 302 North Range Street, Madison, Florida 32303.

Chandler (211) and Susan (212) were married February 21, 1856 in Pawtuxet, Florida (Medart, Fl) which was the home of Susan's father and mother, James Wolf Smith (221) and Lodoiska Parramore (87). This home still stands and is approximately thirty miles south of Tallahassee, Florida. Chandler (211) and Susan (212) lived their married lives in Madison, Florida. Their home is located on the north side of West Highway 90 and is presently owned by the North Florida Junior College. Chandler's mother and father were Remington Smith (230) and Martha Holmes (105) who lived in Pawtuxet, Rhode Island. Their home still stands next to the Pawtuxet River and is registered on the Rhode Island Historical Society's list of historical homes. James Wolf's father, Capt. Simeon Smith (242), moved to Thomasville, Georgia in the early 1800s from Pawtuxet. Capt. Simeon Smith (242) was the brother of Chandler's (211) father, Remington Smith (230). James Wolf Smith (221) was the Father-in-law of Chandler (211) and they were also first cousins.

Chandler (211, age 33) and James Wolf (221, age 54) were members of the House of Representatives, General Assembly of the State of Florida at its thirteenth session in November of 1864. Chandler (211) was the Representative for Madison, Lafayette and Taylor counties. James Wolf (221) was the Representative of Wakulla County. Also, I have record where James (221, age 44) was a Senator of the ninth district in the General Assembly of the State of Florida in November of 1854.

The bible has approximately three hundred and fifty names in it. I have expanded this tree to include approximately thirteen hundred people. Most of this information is stored in a P.C. data base by software that was developed by the Mormon Church. This data can be accessed by most popular family tree software which can read and create a GEDCOM file. I'm willing to share this information with any family member who is interested. The two or three digit number next to each individual is a unique computer number for that person.

Some of the information on the family tree sketch was done in pencil and does not appear on the photos. However, the transcription includes all visible information. I took great care to transcribe this information but I'm sure I have made a few errors. Please notify me if you find any.

Also, this project has brought to my attention that many current family members have not been added to this bible. This will be one of my next projects.

I'm interested in collecting copies of old letters, photos, stories, recollections and family bibles. I will pay for any copying costs. My main interest, is to collect as much information as possible so that a history can be written on the Smith family. If you can help me with this, please contact me at the following address:
