William Langley Bevis Family Records

Additional Surnames: none

Date range: 1791 – 1882

Publication date: not given

Locations: VA, SC, GA, FL

History of the Records: In 1987 this family record (notebook) was in the possession of Victor S. Bevis of Greenwood, FL, the great grandson of William Langley Bevis (1791-1870). The "participation" form states that the notebook was written in part by William Langley Bevis and in part by his son William Bevis (1818-1907) as determined by the handwriting. Some other family members may have copies of these records. Also there is a copy located in the Florida [State] Archives. Myrtle Rehwinkel's name is listed/signed at the bottom of the "participation" form, and she is probably the sister of Victor S. Bevis.

Additional Materials: Photo of William Langley Bevis 1791-1870; Three pages with lists of purchases; Handwritten transcript and notes by the sister of the owner [Myrtle Rehwinkel?].
